

IEEE Engineering in Medicine and Biology Society (EMBS) Hong Kong-Macau Joint Chapter

**IEEE EMBS Hong Kong – Macau Joint Chapter Student Paper Competition
22 Aug 2015, Hong Kong, China**

General Competition Rules

- 1) The presenting author of a paper should also be the first author, who must be a student from a tertiary institute in Hong Kong, Macau, Guangzhou, Shenzhen or Zhongshan.
- 2) Each author is limited to ONE submission as the first author.
- 3) Except where properly cited, the work reported in a paper should reflect work done solely by the authors.
- 4) Originality and novelty of the paper content will be assessed during review process. The competition does not hold copyright of the submitted work. However, the reported work should NOT be published, or accepted for publication, elsewhere for more than one year on the final competition day: August 22, 2015.

Competition Organizer:

Executive committee of IEEE EMBS Hong Kong – Macau Joint Chapter
